

Faustix has over the years marked himself on the international music scene with a production-collaboration with Diplo on the smash hit 'Revolution', which became part of the Bernie Sanders presidential campaign.

In 2016 Faustix remixed the official UEFA EURO song by David Guetta and Zara Larsson. Furthermore, he has done remixes/productions for the likes of Chris Brown, Icona Pop and Major Lazer and have had several nominations and wins at Danish Music Awards, Danish DJ Awards and Danish Club Awards.

Faustix has achieved more than 300 million streams on Spotify on his own singles and remixes including his massive hits "Watching You" with the Dutch producer Alvaro, "Crying in The Sun", "Thorns" and "Need You".

Over the past year he has additionally started up his EP/album series "OMG It's Lit", releasing 6 already. The series is a tribute to club-music and has received massive support from DJs such as Diplo, Alvaro, Blasterjaxx, Hardwell, Tiesto and Ummet Ozcan. Furthermore, he has reached more than 2 mio monthly listeners on Spotify on a regular basis and has played some of the biggest festival stages in Denmark.
